

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Tutto è Sciolto

Her silent eyes and her soft foam-white brow
And fragrant hair,
Falling as in the silence falleth now
Dusk from the air.

Ah, why wilt thou remember these, or why,
Poor heart, repine,
If the sweet love she yielded with a sigh
Was never thine?

FLOOD

Gold-brown upon the sated flood
The rock-vine clusters lift and sway:
Vast wings above the lambent waters brood
Of sullen day.

A waste of waters ruthlessly
Sways and uplifts its weedy mane,
Where brooding day stares down upon the sea
In dull disdain.

Uplift and sway, O golden vine,
Thy clustered fruits to love's full flood,
Lambent and vast and ruthless as is thine
Incertitude.
